

EX FORTI for Il Ristorante Alain Ducasse Roma - Hotel ROMEO Roma .

In the very heart of Rome, in an exclusive context that combines historical charm and Zaha Hadid avant-garde vision, the new collaboration of Ex Forti with the Masters of Excellence is outlined. An exclusive Box, designed to enhance the spaces of the new Restaurant by Alain Ducasse, inside the ROMEO Roma Hotel, a 5-star luxury that redefines the concept of hospitality.

The structure, essential in its rectangular shape, is enriched with rounded corners which give lightness to the visual harmony.

Made of lacquered wood with a sophisticated titanium paint, available in glossy or satin versions, the Box stands out for its discreet but distinctive presence.

Inside, a functional Makassar ebony chest houses perfectly two black Corian square trays, designed to carefully store the washcloths.

To enhance the composition, the Hotel Logo, a signature in polished steel that reflects light with the same intensity with which this restaurant celebrates the culinary art and design.
